

A²D FROM ADDICT TO DISCIPLE

Reuben Oigara and Rod

Schedule for DRC & Kenya: 4 - 28 August 2018

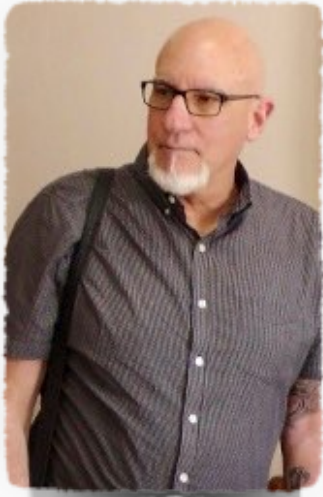

In July 2017, Pastor Reuben Oigara and I had the privilege of visiting the city of Bukavu in the DRC. I was able to cast the vision of From Addict to Disciple Ministry at the International Evangelism Church of Congo, headed by Bishop Byamungu.

The response from the church was overwhelming as approximately 100 church members volunteered to be trained.

After the vision casting, the Bishop took us on a visit to the maximum prison in Bukavu. It was evident that there are no spiritual programs available in the prison to bring hope to those incarcerated there.

Our hearts have been stirred to return to Bukavu to train and equip the volunteers as facilitators in the Transformed Inside programs. The team consists of:

- Dr David Hain the author of Addict to Disciple and Heart of an Addict from America
- Pst Reuben Oigara from Kenya who is overseeing the prison ministry in Kenya.
- Pst Rod Shiers Director of A2D and The Scarlet Thread Ministries

Mission Overview

The training in Bukavu will consist of 10 handpicked students who will be trained for five days. Once equipped, they will go into the maximum prison to facilitate the Transformed Inside Programme to the adult male and female sections, as well as the juvenile boys.

These offenders have little hope, so we believe that taking the Love of the Father and the Hope of Jesus to them; they will be able to live victoriously in the harsh conditions in prison.

In our experience, it has also been evident that lives are transformed through these programs and more often than not a great healing takes place. This in turn equips the offender to cope with the challenges of life outside, upon release.

We have undertaken to partner with the Bishop to assist the church by supporting them financially and with the material necessary to run the programmes mentioned above. We have committed to the training and will not forsake those who are desperate.
